Grand Rapids Yacht Club MC Spring Tune-Up May 20 - 21, 1989

A record number of boats registered for this year's regatta despite promises of rainy weather for the weekend. Fortunately the weatherman cooperated with good winds both days and held the rain off until the boats were being hauled out Saturday afternoon.

Southwest winds from 10 - 12 knots prevailed for the one morning race and two afternoon races Saturday. Sunday was a beautiful sunny day with a stiff and building 12 - 15 knot breeze out of the west which was perfect for a long windward-leeward 3-1/2 race out of the east end of Reeds Lake.

Top sailor was Dave Kistler of the GRYC who, despite being a past national champion, had never won an open regatta on his own lake. First place masters went to Tom Wurster of Diamond Lake, Michigan. Masters are indicated by an M.
