

ILYA MC Championship

August 22 - 24, 1991

Okoboji Yacht Club, MN

Contributed by Andy Burdick

Okoboji Yacht Club in Okoboji, Iowa hosted the 1991 MC Inland Championship. Forty-five MCs attended a very well-run regatta. All six races were sailed in varying wind conditions. This was the best attended Inland MC regatta yet, with many sailors borrowing boats just to get a taste of the single-handed fun!

Andy Burdick of Pewaukee, Wisconsin and crew Candace Kelsey defended their Inland title for the fourth year in a row; winning four of the six races. Mark Christenson of Minnetonka, Minnesota placed second; winning race number three, and four of his six races were in the top three. Mike Miller of Cedar Lake, Indiana was third. Jim Flood of Grand Rapids, Michigan (originally from Okoboji) placed fourth. His local knowledge obviously helped as he port tacked the fleet not once, but twice! Kevin Jewett from Minnetonka, Minnesota was fifth. Kevin and crew Ann Hopkins won the last race in a 20 mph breeze and huge waves. Both sailed well.

With six fun races and the hospitality of Okoboji, which could never be matched, it was an enjoyable week of MC racing with some of the best sailors in the class.

Next year the MC Inland will be held at Green Lake, Wisconsin.
