**MC Nationals Winners: L to R
Pam Cantrell, Women
Frank Keenan, Grand Master
Chad Gould, Amateur
Winn Story, Masters
Andy Burdick, National Champion
and Top Pro**

Those of us who traveled to Georgia for this year's Nationals were well rewarded with great southern hospitality and on-shore arrangements. It doesn't get any better! But, there was one little hitch--the wind committee came up short! But never mind. We got in the four races and that made a regatta.

Look at the first five boats and you will find three former national champions: Andy Burdick (a four-peat), Paul Richards and Glen Walborn. So you know the competition was keen. You should notice too, you who may have been skeptical of my July article in which I extolled the resale value of the MC -- boat numbers 883 and 487 finished 2nd and 3rd.

It was a busy week with rigging on Wednesday, Board meeting that afternoon, free hot dogs and beer that night. Thursday we spent a few hours on the lake waiting for some wind which did not show up.

Friday and Saturday the RC got in two races each day in light air. The first race went to Andy, the second to Bob Kwasha, the third to Brian McMurray and the last race to Chad Gould.

Dinners Thursday and Friday nights were outstanding and the Board of Governors and all the sailors who were present send their thanks to Regatta Chairmen Winn Story and Jim Grey, and all the folks who made this an outstanding regatta. The Lake Lanier Sailing Club has an outstanding facility on a beautiful body of water. Next time you are in the area, stop by and look around.
