

River City Regatta

June 8-9, 1991, Fleet 25, Eastern Nebraska Sailing Association, Omaha, NE

Lake Manawa provided a weekend of low, overcast skies and excellent wind conditions for sailors from five states. After Saturday's first race lunch was served in the club's newly constructed lakeside shelter.

Saturday night's barbecued pork and chicken were a welcome addition of pounds for Sunday's strong and gusty winds.

Lake Davenport provided RC volunteers and a motor home with shade porch and a full keg of beer. This is one of the least expensive regattas with low cost motels and restaurants nearby. Don't miss the 1992 affair.

George Dorn Regatta

Lake Beulah, WI, Fleet 15. June 15-16, 1991

Strong winds have been making the rounds of the regattas this year, and the George Dorn had more of the same. Crews were definitely in order. The planned third race for Saturday had to be postponed until Sunday after a bit of starting practice and clocking wind. Mike Miller claimed the top trophy with consistent results. Lake Beulah sailors Milt Haeger led the masters, Matt Grubis the top juniors and Kathy Barr the women.

Gordy Bowers, after two 1sts and a 2nd, observed the 4th race and reviewed each sailor's techniques after the race.
