

Webb Memorial

September 14-15, 1991

Missouri Yacht Club, Lake Lotawana, MO

19 boats tuned up Friday afternoon with Pam Cantrell 1st, Scott Tillema 2nd, and Harvey Baker 3rd. Sailors enjoyed a delicious barbecue at Jack Schwindler's home.

In 12-15 mph winds the first race Saturday was over an Olympic course with Greg Clagett capturing 1st followed by Jim Stinson, Harvey Baker and Pam Cantrell. A thunderstorm delayed the second race which was sailed in light and variable. Greg, Scott Poynter and Bill Robison, in that order, were the first to tap the keg! Saturday night activities featured lasagne and the Kansas City Blues Band at the YC.

Race three on Sunday brought 15 mph winds from the SSW. Greg captured his third bullet followed by Bob White and Jason Brown. Dr David Tillema abandoned his MC in this race to rescue an unconscious sailor who had been hit by his boom.

Lotawana extends its gratitude to all the participants and invites all of you to the 1992 Webb Memorial Regatta.
