

Polar Bear Regatta

10/3-4/1992, Fleet 20, Lake Davenport SC, Davenport, IA

From Tony Bruskas

Unlike the cold, wet weather expected for a Polar Bear Regatta, 21 MC and 20 C Scow sailors found the weather to be warm, balmy and with light steady winds -- the best conditions LDSC could provide. There was very little current and minimal barge traffic on the Mississippi. So, Saturday morning the guys peeled off their T-shirts for a suntan and got down to the business of winning a regatta. That's exactly what Dan Quiram, a former LDSC member, did. He had a good day with two 1sts and a 2nd and then sailed well enough on Sunday to fend off his nearest competitor, Mark Christensen. Masters trophies were awarded to Dick Duley, Tony Bruskas and Cowles Mallory (all LDSC sailors).

Introducing the Great MC Scow Cover-up

There's no hiding the fact that you will **Pay Less** to get all these great cover features plus exceptional quality and workmanship!

MC SCOW SKIRTED MOORING COVERS (shown in photo to right)

- Cover "cups" around and under the bow and transom for excellent hold-down.
- Front and aft screened vents.
- #10 nylon zipper with protective flap that snaps over zipper.
- Stand-up flaps snap around sidestays and forestay to stop all deck fading.
- Skirt protects sides of boat from damaging ultraviolet.
- Stand-up mast collar drawcords closed to stop bugs and water.
- Tie-down points to secure cover to trailer or lift.
- Extra reinforcements at gooseneck, end of boom, and transom corners.
- Cover is split around rudder

- Fabrics finished to our specifications
- Strongest possible flat-felled (Levi) seams
- More reinforcements than other brands
- Attaching hardware provided
- Designed for competitive sailors by past C Scow champion, Bob Rowland.
- Manufacturing & stocking covers for MC, M16, C, E, Butterfly and 96 other one design sailboats for 20 years.

Covers are IN STOCK ready to ship!
