

MC Masters Regatta

9/10-12, 1992, Fleet 15, Lake Beulah YC, WI

This first-ever IMCCSRA sanctioned regatta was a huge success. Hardy Will and the LBYC did an outstanding job of it.

Thursday proved too windy, only dying down about 5 PM. Friday found a minimum of wind for one race, while Saturday found a great southerly wind for two races -- the first on an Olympic/Triangle course and the second on a windward 3-1/2.

Milt Haeger dominated the racing with one 1st and two 2nds to win the newly created perpetual trophy - a handsome clock mounted on a walnut base and a masters sports jacket with the MC logo on the breast pocket. Dick Duley won the grand master trophy, a good looking windbreaker with MC logo. Hardy finished 2nd overall winning the second race and IMCCSRA Commodore Doug Stryker nailed 4th overall with a bullet in the 3rd race. Wally Schwarting took 2nd Grand Master followed by Tony Bruskas. Trophies, after first place, were good looking sweaters with embroidered MC logos.

Masters Winners L to R: Tony Bruskas, Milt Haeger, Doug Stryker, Wally Schwarting, Hardy Will, Dick Duley, Joe Boland. Above, two Porter crew surround Karina Stryker

The food committee served a tenderloin dinner Thursday night and lobster tails Friday night. Outstanding!

I am sure all Masters sailors will want to make next year's event which will be at Pine Lake, WI.

* G = Grand Master - over 60 years

Texas MC State Championship

9/19-20, 1992, Fleet 41, Arlington YC, TX

Results courtesy of Jay Mize and Drew Mize

Winds on Saturday were light to non-existent - those in the middle of the pack complained that it wasn't a true test, and those in front couldn't have been happier. Sunday, however, was a much different story with winds for the 1st race at 12-15 mph, and by the 2nd they cranked to 15-20.
