

Attention Junior Sailors

All ILYA sailors aged 13 - 18 (will be 13 but may not be 10 in this calendar year) are eligible to compete in the ILYA qualifier for US Sailing Association Smythe-Bemis Trophies. This is the first year that the ILYA has been granted a qualifier within our own yacht racing association. The Smythe-Bemis Trophies are national awards which are presented to the top single and double-handed junior sailors in the country. Actual participation in the national event is awarded to regional and areal ladder qualifiers. This ILYA qualifier will offer an opportunity for two teams in each event to proceed on to the next level of competition which will be in Michigan July 20-22 in Lasers and Flying Juniors with a spinnaker. A one-day on-the-water clinic will be held prior to the Michigan event to acquaint sailors with these boats.

The ILYA qualifier will be sailed in MCs for the Smythe and in M-16s for Bemis. Both qualifiers will be held simultaneously on Lake Beulah July 8-9. These dates were picked to directly precede the ILYA Invitationals for these classes. A one-day seminar and on-the-water training session will be held on Wednesday. Three races will be held Thursday with a race three start time of no later than 3:00 pm. This will facilitate travel and registration at the nearby MC and M-16 Invitationals.

In accordance with US Sailing policy the regatta will offer instructional and fun sailing experiences. Plan now to attend this first time event. Membership in US Sailing (\$10 which includes the US Sailing Rule Book) and ILYA (\$15 associate for those not regular members will be necessary. Membership in both these organizations affords great benefits and publications. Join now or at the regatta and plan to attend the regatta. For further information, watch your local sailing school bulletin board or contact Candace Porter, N9322 Beulah Park Road, East Troy, WI 53120.

Indiana Cedar Lake YC Icemaker MC Scow Regatta September 26-27, 1992

To all MC sailors, last year was great but this year we are going to try even harder to make sure that this regatta is your best for the 1992 season. This is a new regatta, only three years old, and already becoming one of the toughest MC regattas. "Will Andy Burdick defend his title for a third straight championship?" Be here and find out.

Guaranteed no one will go home hungry or thirsty and seven skippers will take home a trophy by Doc.

Five races are scheduled. Trophies will be awarded to the top seven skippers. Registration fee is \$30 (\$35 after 9/23). Cedar Lake is located only 45 minutes S.E. of Chicago, 15 minutes S of US 30 and 2 minutes E of US 41. The club facility is located on the east side of the lake.

For further information, contact Rick Kazwell 219/663-6456.

13th Rebel Rouser

May 2-3, 1992, Fleet 3-Lake Lanier SC, GA ,

Submitted by Knox Rodgers

Michael Lenkeit continued his father's winning way, capturing the 13th Annual Rebel Rouser against excellent competition with just four points separating the top four boats.

We were pleased to welcome two boats from the Dixie SC and two from Lake Eustis. Saturday's conditions were near ideal — 12-18 knots with shifts favoring "local knowledge". By the end of the day, Jim Bryan from DSC was the clear leader.

Saturday's "attitude adjustment" hour and dinner featured NY strip steaks, all the trimmings and Willi Lenkeit's famous chocolate eclairs.

Sunday's condition were a near repeat of Saturday's and found Michael Lenkeit dominating with three firsts to win the regatta. Willi Lenkeit, was the top master, Bob DeWitt, top grand master, and Casesar Bruschi was awarded a "Special Recognition" trophy for his constant fleet support and race participation. Special thanks went to Chairman Doug Rogers and R.C. Chairman David Jackson.
