

DieHard Regatta

Sept. 18-19, 1993, Fleet 42, Lake Harriet YC,
Minneapolis, MN

The Annual DieHard Regatta hosted 66 Cs, MCs, M16s, Xs, and mini scows at the Lake Harriet Yacht Club in Minneapolis. The weather tried to cooperate and results were mixed: beautiful blue skies were accompanied by very little wind on Saturday, and Sunday's moderate breezes also meant cooler (and wetter) conditions.

Head Judge Peter Wattson tried to get things started Saturday morning but cancelled the first race as the majority of the boats seemed to be drifting in the general direction of shore and lunch. The conditions didn't change much in the afternoon, but the evening party at Commodore John Barbour's home was still several hours away and it was at least interesting to watch and keep track of the five different fleets on at least that many different laps of their respective courses. Everyone had their share of stories to tell Saturday night!

The last two races, of the now three-race regatta, were completed just as the afternoon showers began. Lake Harriet's spring and fall regattas are already scheduled for May 7 and 8, and September 17-18 respectively. We hope to see you in Minneapolis.

1993 Orlando Webb Memorial Midwest MC Championship

May 21-23, 1993, Fleet 14, Missouri YC, MO

Submitted by Doug Graham

The 1993 Orlando Webb Memorial Midwest Championship MC Regatta was held at Lake Lotawana, Missouri, on May 21, 22, and 23. A total of 42 boats participated in this 14th Annual Regatta.

A tune-up race was held on Friday, May 21, with a wonderful lakeside dinner following the event at the home of Bob and Helen Keith.

Saturday's schedule was for one race in the morning, and two in the afternoon. However, due to inclement weather, only two races were held. The morning race saw the wind build, and seven boats did not finish due to various circumstances. Saturday afternoon, a total of 25 boats braved the wind and weather, with a total of 18 boats finishing the course.

Dinner at the Missouri Yacht club capped the activities for the day, and sailors got a chance to be on the other side of the line during the mouse races following the dinner.

Sunday's race at 10 AM again produced questionable weather conditions, but the wind reached a controllable level, with 25 boats starting and finishing the third and final race.

The following awards were presented at the awards brunch:
