DLYC MC Regatta

MAY 26-27, 1993, Fleet 28, Diamond Lake YC, MI

This year's DLYC regatta saw a variety of winds that challenged both the light air and heavy air partisans. Dan Guidinger got off to a great regatta beginning with firsts in the two races Saturday morning in 10-12 mph out of the WSW conditions over windward/leeward courses. Eventual regatta winner, Mike Miller had Dan going up the last leg of the first race, when the air got shifty and lifted Dan to the win. In the second, Dan noted a big right hand shift coming in at the start as he started at the windward end. He dropped the traveler and motored across the fleet to take and hold the lead.

After lunch the wind had piped up to fill the lake with white caps and cause the race committee to think twice about starting a race. The RC's delayed start at 3 PM gave most of the skippers time to sign on crew. This third race belonged to Glen Walborn with Fred Stevens choosing to crew for Glen rather than sail in the still quite heavy air.

During the night a heavy wind and thunderstorm moved through the area and left a 12-14 mph breeze for Sunday morning's first race which went to Mike Miller. Much to everyone's surprise, the wind increased dramatically as the committee boat set the line. Many skippers made their way to the dock to pick up much needed crew. This race belonged to Mike Miller and crew Amy.

Mike Miller now adds a regatta first to his second place at White Lake for an impressive start on the 1993 season. Bob Ward in 6th place overall won top Masters honors followed by Jim

Bieneman and Tom Wurster. Top Woman was Mindy Miller in 17th place in boat number 92! Brian Murray in 7th overall topped the Juniors.

For those of you who have not been to DLYC, be advised they are great hosts, with on-the-lake housing, great racing, and excellent lunches and steak dinners Saturday night. Our thanks to all the committees who did such a great job.

DLYC Winners Back L-R: Brian McMurray, Tom Wurster, Glen Walborn, Bob Ward, Dan Guidinger. Front L-R: Jim Bieneman, Mindy Miller, Ted Maitland, Steve Field, Mike Miller and crew Amy, Beth Senner
