

# 2nd Annual Masters

July 22-24, 1993, Fleet #44, Pine Lake YC, WI

Who says you need a club house, great launching facilities, catered lunches, etc. etc.?

Terry Bischoff and his more than able crew put on one of the best regattas this writer has ever attended -- and they did it with volunteers (can you imagine chicken cordon bleu for a sailors' lunch?), a tent on his lawn, and a super race committee. This all spelled great success for the 2nd Annual Masters Regatta.

Attendance was up by 19 boats over last year, for a total of 44 boats. Interestingly, 20 of the skippers were Grand Masters. We'll have to award a like number of trophies for them as for the Masters. Even the wind cooperated with good strong northerly winds on the first day of sailing, followed by more moderate, but adequate winds Friday and Saturday.

As you can see from the standings listed below, local knowledge paid off for winning skipper Tim Fredman and 3rd place finisher Andy Gehl. I think all the Grand Masters there were very pleased that Grand Master Smiley Freytag finished 2nd overall.

Attractive glass bowls and teak trays went to the top five Masters and top three Grand Masters. Of course, Tim Fredman received the now-traditional Masters jacket with the IMCCSRA patch. We all enjoyed seeing Milt Haeger in his green (go Blue) Masters Jacket from his win last year.
