

North Americans

May 1-2, 1993, Fleet 38, Pewaukee YC, WI

Gordy Bowers, with three bullets, won this closely contested regatta with only 27 points separating the top four boats. Paul Richards of Grand Rapids YC in 4th place took amateur honors and Bob Burdick took the top masters award with a 7th overall. From several reports, every race was close.

You gotta feel for Jim Flood who led the last race all the way around until the final leg when he fell into a deep, deep hole and watched as 23 boats marched past him in wind which didn't quite reach him in time. That's suffering!

This was not a regatta to tip over -- with the water temperature recorded at 45 degrees!

AYC Spring MC Regatta

May 15-16, 1993, Fleet 41, Arlington YC, TX

Submitted by Drew Mize, Regatta PRO

Fourteen boats came to this years' Arlington Yacht Club Annual Regatta. Race-perfect 8-15 mph steady winds from the south with temperatures in the 80s prevailed through the duration of the regatta making for some tight sailing.

Greg Gust, with crew Jake, dominated the regatta with four bullets and a third. Manning Grinnan took 2nd, with Scott "Look-out-for-the-Boom" Slocum taking third. Arlington members allowed Rush Creek Yacht Club members to take the top three places to make them feel welcome.

Great food and lots of beer combined with the perfect weather made for a wonderful weekend. See you at the Nationals!
