

'95 Icemaker MC Regatta

September 9-10, 1995, Fleet 35 Cedar Lake YC, Indiana

Submitted Craig Parker

The 1995 Icemaker MC Regatta was sailed in near perfect conditions, 10-12 mph breezes from the northeast, sunny and mild temperature. All five races were sailed this year making for a great series for the sailors. To win any regatta you must be consistent and that's what Glen Walborn was. He won three of the five races and finished 2nd and 6th in the other two. Congratulations to a great sailor and we hope he will defend his championship next year. Thanks again to Doc Dudley who made beautiful sailing hardware for all four regattas at Cedar during 1995. It is always a great time, plan on being here next year.
