

Michigan MC Championship

June 24-25, 1995, Fleet 28 Diamond Lake YC, Michigan

The weatherman certainly held sway at this regatta. Saturday featured very hot, very light- to-nonexistent wind. However, late in the afternoon a nice breeze appeared. RC Chuck Harrett announced a race and the sailors readied their boats, when a very large squall came racing along the water. This storm contained lots and lots of rain as well as very strong winds and finally pea-size hail. Later, around the keg, one of the sailors suggested that this regatta might well be called "one hail of a regatta."

And so it turned out to be a one race regatta when Chuck got a race started late Sunday morning in a light wind which contained some deep, dark holes.

Once again Tom and Jan Wurster, along with Bud Leonard and their committees served up some great breakfasts, lunches and dinner. Sue Peterson asked musicians Liza and Mark from Plymouth, Indiana to entertain Saturday night. They are extremely talented folk musicians and were much appreciated.
