# MC Fall Classic

Sept. 14-15, 1996

Fleet 48 North Lake, Wisconsin

Results submitted by Marie Kendall

The forecast of heavy winds out of the northwest from 15 to 25 miles per hour brought out 19 MC sailors on North Lake for the 8th Annual MC Fall Classic on September 14th. You can't always believe the weather forecast. This cool autumn day turned out to be a really good day for sailing.

By afternoon the winds decreased and the sun came out. Sunday light winds and plenty of sunshine saw 20 MCs sail two races.
