

Orlando Webb Memorial & Midwest MC Championship

June 1-2, 1996

Fleet 14 Missouri Yacht Club, MO

Results submitted by Terry Haug.

Torrential rains spawned by a stationary front of unstable air caused the cancellation of the tune-up race on Friday with Mother Nature the clear winner. The rains stopped in time for the annual party hosted by Helen and Bob Keith (Fleet 14 Captain).

Saturday morning appeared to be a repeat of Friday, but turned out to be a great sailing day instead. Dan Guidinger of Johnson Boat Works won the first race in light air, followed by local ace Glenn Foulke. After lunch at the yacht club, the second race started in medium air with local hotshot Bob Cantrell edging out Guidinger. Fickle dying air during the third race helped Guidinger pull out another win with the Rush Creek favorite coming in second.

A rather noisy crowd partied heavily at the pig roast dinner at the Missouri Yacht Club, followed by easy listening acoustic guitar music enjoyed by some into the late hours.

Judge Paula Martin called a long course for Sunday's final race. Guidinger again won followed by local junior speedster Jon Martin coming in second and first Junior for the regatta.

The Lake Davenport Sailing Club Award went to Spencer Brackman.

Results from Nancy Reicher, Chief Scorer.
