

# 1997 MC North American Championship

May 3-4, 1997 Fleet 38 Pewaukee YC, WI

Submitted by Tobin Tornehl

Here are the results from the North Americans. We had four races in winds ranging from 10 to 20 mph. Crews were needed for every race. We all just escaped a hail storm late Saturday afternoon. Eric Hood won for the second year in a row. Peter Barrett won the Masters Division with 13th overall.

# Spring Regatta

May 10-11, 1997 Fleet 46 Cedar Lake YC, Wisconsin

On May 10 and 11 twenty-one MCs came to Cedar Lake to start their sailing seasons. They were greeted with 8-10 mph winds out of the west. West winds on Cedar do tend to promote shiftier conditions and Saturday was no exception. In the first race, the first three boats broke away from the fleet at the windward mark.

After lunch, we came back out to similar conditions. As this race progressed the wind dropped to 5-8 mph. In these conditions the shifts became harder to predict. Even the local sailors were wondering where the next shift would come from. This race saw our grand Master Champions; Harvey Schaefer lead most of the race. Eventually John Emory

passed him to win his second straight race. Sunday morning temperatures greeted us in the low fifties and winds building to 25 mph. With water temperatures at fifty degrees, the decision was made to cancel

further racing.

Trophies were presented to the top five finishers and the top Master/Grand Master.
