

'98 Rebel Rouser

April 23-25, 1998

Fleet 3 Lake Lanier Sailing Club, GA

Jack Kern of Rush Creek Yacht Club, Dallas put together strong finishes in a series made up of two shortened light-air races on Saturday and two ideal (12 mph) races on Sunday morning. Forty boats assembled for the event with the new Charleston, SC contingent showing up in force with 6 or 7 boats.

Saturday's light-air races made for some interesting discussions that night because few sailors were able to put two good races together. Most who did well in one race, tanked in the other. Local light-air ace, Willi Lenkeit, was one of the few who did well and led the regatta going into Sunday's races.

Bill Crum & crew Betty Crum won the Rebel Rouser MegaMaster Trophy

Easter E & MC Scow Regatta

April 11-12, 1998

Carolina Yacht Club, Charleston, SC

Paul Rossmann, organizer of the MC Fleet at James Island Yacht Club, Charleston, SC sent in the following results of the MCs participating in this annual regatta for the first time.

The MC Fleet at James Island YC is applying for membership in IMCCSRA and will be Fleet 60.

At first it looked so calm Sunday morning that there would be no racing and the title would be Lenkeit's. However, after a postponement, the wind filled in beautifully and two races were completed early enough to allow visitors to get on the road by early afternoons. In the breezy conditions, Lenkeit faded, and Kern won both races convincingly.

Atlanta's Fleet 3 pride themselves on giving away a lot of trophies at this

event. Half-hull trophies went to the top 8 sailors. Tim Fredman was top Master (50s), Bill Freytag top Grand Master (60s), Bill Crum top MegaMaster (70s), Caesar Bruschi top ultra-Master (80s). Greg Fisher with son Curt took the top pro award.

Georgia treated the sailors to beautiful warm sunny days. Our special thanks to Eric Hood of Melges/North Sails Zenda for a most informative seminar Friday evening.
