

# '98 Washington's Birthday Festival Regatta

February 28 & March 1, 1998

This event is jointly sponsored by the Greater Eustis Area Chamber of Commerce, the City of Eustis Recreation Dept., and the Lake Eustis Sailing Club, Inc.

This year's turnout saw nine multi-hull/Portsmouth boats, Portsmouth, four mono-hull/Portsmouth boats, eleven Flying Scots, and eight MCs.

"Once again Mother Nature, or was it El Nino, played havoc with our regatta. After a week filled with rain and the worst tornado disaster in Florida's history, 32 sailors registered to participate in the 96th George Washington Birthday Festival. For your efforts you were greeted with a torrential rain Saturday morning followed by a severe weather watch until 5:00 pm issued by the National Weather Service which wiped out the three races planned for the day.

Sunday dawned under an overcast sky with the forecast of more rain which never developed but neither did the wind until after two races were completed in fluky winds before the extended imposed 1:00 pm deadline.

It took courage for the 32 sailors to come to central Florida when the weather forecast indicated that you should stay home and roast marshmallows and drink beer in front of a fireplace. The LESC and its co-hosts thank you for ignoring the storm warnings and comforts of your fireplace to help us celebrate the oldest festival in the US. Come back next year and bring your sailing buddies. It's scheduled for February 27 & 28, 1999.

We enjoyed having you and look forward to seeing you next February. David Beatson, Commodore; Bob DeWitt, Regatta Chairman; Bud Collene, CRO and Barbara Genise, Assistant CRO.

## Introducing the Great MC Scow Cover-up

There's no hiding the fact that you will Pay Less to get all these great cover features plus exceptional quality and workmanship!

### MC SCOW SKIRTED MOORING COVERS (shown in photo to right)

- Cover "cups" around and under the bow and transom for excellent hold-down.
- Front and aft screened vents.
- #10 nylon zipper with protective flap that snaps over zipper.
- Stand-up flaps snap around sidestays and forestay to stop all deck fading.
- Skirt protects sides of boat from damaging ultraviolet.
- Stand-up mast collar drawcords closed to stop bugs and water.
- Tie-down points to secure cover to trailer or lift.
- Extra reinforcements at gooseneck, end of boom, and transom corners.
- Cover is split around rudder

- Fabrics finished to our specifications
- Strongest possible flat-felled (Levi) seams
- More reinforcements than other brands
- Attaching hardware provided
- Designed for competitive sailors by past C Scow champion, Bob Rowland.
- Manufacturing & stocking covers for MC, M16, C, E, Butterfly and 96 other one design sailboats for 20 years.

**Covers are IN STOCK ready to ship!**
