

MC Junior Championship

July 16-17, 1998

Fleet 7

Spring Lake Yacht Club, Michigan

IMCCSRA has approved the bid by Fleet 7 to host the MC Junior championships once again in 1999. The Board of Governors is hoping that next year there will be a bigger turnout and that all MC fleets consider helping their juniors get to this fine regatta.

The Spring Lake Committee kept the registration costs nominal, provided excellent meals and private accommodations, so that the price was right, and will be again next year.

Please, all you MC fleets with juniors sailors, give this some thought and see if you can assist whatever way you can to get your deserving Juniors to Spring Lake next year.
