

George Dorn Memorial Regatta

June 19-20, 1999

Fleet 15 Lake Beulah Yacht Club, WI

Report by Hardy Will.

Lake Beulah sailors dominated the Dorn Regatta with a different Beulah sailor winning each of the three races. The end result was Beulah sailors in three of the top four places. 29 boats sailed in the regatta from nine different lakes.

Race 1 was sailed on Saturday morning in 5-10 mph winds. It was a battle between Lake Beulah's Milt Haeger and Doug Dorn, son of George Dorn. Doug won it at the end followed by Milt, Tim Fredman, Bruce Gallagher and Hardy Will.

Race 2 was sailed Saturday afternoon, the first of back-to-back races, in near identical shifty 5-10 mph winds. Three boats broke away from the pack; the ever consistent Milt Haeger, Jim Hatch and Hardy Will. Milt won handily and Hardy just nipped Jim at the finish line (a foot or two). These three were followed by Dan Fink and the late arriving Sid Peterson.

For Race 3 the wind picked up to 8-12 mph. This was a very competitive race with the lead changing several times. Early on it was David Treis in the lead, but the hard charging Hardy Will loved the extra breeze and over took everyone for a fairly comfortable win. He was followed by Haeger, Fredman, Gallagher and Treis.

There was no wind on Sunday morning, so the last race was cancelled. Milt won the regatta with an impressive 2-1-2 record. He was followed by Hardy Will, Tim Fredman, Doug Dorn and Bruce Gallagher. Note that a Grand Master won the regatta followed by three Masters. Age is gold in the MC racing.
