

Spring Regatta

May 8-9, 1999

Fleet 42 Lake Harriet YC, Minnesota

James Is. Open Regatta

June 19-20, 1999

Fleet 60 James Island YC,
Charleston, SC

Winds of 17-20 knots and a large chop greeted over 100 boats including 16 MC Scows. After much discussion the MCs decided to try the first race and then there was a scramble to find crews. After a wild ride which caused a few flips and one bent mast, the race was won by Tommy Harken.

The class decided not to sail a second race because we were getting gusts to 23-25 knots. Later the RC cancelled the second race for all classes.

Conditions improved for Sunday and two races were sailed in 8-12 knots.
