Halloween Regatta

October 9-10, 1999

Fleet 63 Augusta Yacht Club, Georgia

Report from Ed Durant, Fleet Captain

What a wonderful weekend on our lake. We got three races in on Saturday in 12-15 mph winds. Tommy Harken took charge with three bullets.

Sunday dawned with little to no wind so that the races had to be cancelled.

This year we had Sunfish, Optimists, Lasers, Hobies, J24s and Snipes. MCs being the largest fleet. Next year the MCs will host an event larger even during this same regatta, hopefully on everyone's schedule.

Fleet 63 at Augusta Yacht Club was chartered in June of this year and now boasts a fleet of eight with more prospects knocking at the door.
