1999 Republic of Texas National Championship

September 18-19, 1999

Fleet 41 Arlington Yacht Club, Texas

Report from Jack Hattendorf

This years Texas Championship was held on September 18-19. Reliving the glory days of when Texas was its own country. Boats came from as far as Wisconsin! The rest of the competitors were from our South-west Region (Dallas and Tulsa). We were extremely excited to break another record this year with 26 boats!

Winds over the weekend were light and fluky. Drew Mize was under a lot of pressure to repeat his victory from last year when we were reliving the 60s. He had the added pressure of the top two finishers (Greg Gust and Scott Slocum) from the Nationals who had a different idea of how Drew should finish. With the way the winds were going into Sunday the first three positions were separated by only two points! The next ten spots were also all up for

grabs. Drew took the last race and won the regatta. Every race was won by a different competitor.

Let's not forget that the food was great, the beer cold and a fun time was had by all. The

MC Fleets here in the South are growing with leaps and bounds and there is some great competition. We would like to invite all you Northern types to cross the border next year and come join the fun. You wont regret it!
