

One-Design Midwinter Regatta

March 11-12, 1999

Sarasota Sailing Squadron, Florida

Submitted by Regatta Chairman Jim Barr

167 boats raced in perfect weather at this two day event. The MC fleet number nine boats. Also racing were E-Scows, M-20s, San Juan 21s, Day Sailers, Buccaneers, and Sunfish.

An event as big as this can only be run with the help of a great number of dedicated sports enthusiasts. We thank all of our sponsors, especially Gold Coast Distribu-

tors who donated all of the beer, the banners, the Bud motor yacht and the famous Bud Girls. We also thank sponsors Massey Yachts of Palmetto, Ullman Sails of Sarasota, Inland Sails and Southwinds Magazine.

Michael Stuart deserves special thanks for shoveling out the silt by hand from the ramps. Allen Becker and his staff provided expert courses.

Mild weather prevailed except on Sunday when winds were 15-19 knot with some really nasty puffs at times. Last year we had a 40 knot that raised havoc with the fleet. Local SNN TV ran their coverage on Saturday and Sunday.

MC competitors and their positions at the Sarasota One-Design Regatta are as follows:

1 Jack Kern	1895	RCYC/TX
2 Kelly Reese	1788	LGYC/WI
