

MC Southernns

October 23-24, 1999

Fleet 6 James Island Yacht Club, SC

Report by Paul Rossmann

Conditions were blustery, to say the very least, with winds around 18-20 mph on Saturday, and a couple of gusts at 24 mph on Sunday. Combine this with a full moon tide running, it is a particular challenge for the best of skippers. Twenty-three boats headed out to the course, and twenty-two started the first race. By the fifth race on Sunday, 6 boats had retired (3 equipment failures, 1 injury - not serious, 1 pooped skipper, and 1 football game).

And, other than a scoring error, which has terminally embarrassed the Race Committee, all went well.

'99 Cowan Scowin' Regatta

October 2-3, 1999

Fleet 45 Cowan Lake SA, Ohio

Results and report from Marie Pratt

The 4th Annual Cowan Scowin' Regatta was held in ideal sailing conditions. Saturday morning brought southerly winds of 10-15 knots building to 15-20 in the afternoon. Both morning races, which were sailed on a windward/leeward course, were won by local sailor Bob Bellafronto.

We had three races in the afternoon, the first on a another windward/leeward course. Races 4 and 5 were sailed on an Olympic course so we could have some fun planing on the reaches. Glen Walborn, along with son Alan, won Races 3 and 4 and Carl and Marie Pratt won Race 5.

Sunday morning was a one-race shoot-out in a 10 knot northeastly breeze. It was won by Glen and son Alan, which gave the honor of taking home the coveted Cowbutt award. Top Woman was Judy Hearn. The "Blood and Guts" trophy went to Jenifer Ray (the boom is REALLY low on jibes when the vang is on all the way). Bob Bellafronto won Top Masters honors.

By scheduling the James Island Southernns Regatta one weekend after the Lake Norman Regatta and two weeks after the Augusta Regatta we are hoping to create the Fall Southern Circuit
