

# Fall Dinghyfest

October 21-22, 2000

Fleet 5 Rush Creek Yacht Club, Texas

Results from Herman van Beek

Winds for this largest ever Fall Dinghyfest were steady between 10 - 20 mph. The rain 50% of the time did not dampen hearty spirits. This regatta draws Optimists, Lasers, E-boats, JY 15s, as well as MCs.

Rush Creek goes for lots of short courses with downwind finishes, followed immediately by the start of the next race. With this format six races were held on Saturday with three on Sunday.

Starts were on a 3 minute starting sequence so it was necessary to stay close to the line. Speed off the line helped in being able to take the port tack shortly after the start. Winds were such that single-handed sailors were vanging hard most of the time. You could see sailors really slow down through the back side of the puffs because they were resting when the breeze lightened and not shifting gears and backing off the vang.

# Nothin's Finer Regatta

October 21-22, 2000

Fleet 50 Lake Norman Yacht Club, NC

Results and report from Ken Dols

Lake Norman provided a beautiful fall weekend - Carolina Blue skies, fall foliage becoming prime, temperatures in the mid-70s with light winds.

As in the past, new participants were impressed by the excellent venue at Lake Norman.

23 boats, mostly from the SE and Midwest, competed. Saturday the light winds turned calm allowing for just one race.

Sunday sailing was rescheduled to an earlier start and three races were completed in wind of 3-8 mph.

You will note that *experience* reigned.
