

Spring Fever 2000 Regatta

May 20-21, 2000

Fleet 49 Okauchee Lake YC, Wisconsin

Results from Dan Fink

Twenty-two sailors showed up for the 1st Annual Spring Fever MC Regatta held on Okauchee Lake.

Saturday was a beautiful sunny day with light variable winds that never seemed to fill in. We attempted to start a race in the morning but we all drifted to the starting line and it just wasn't meant to be. We tried again later in the afternoon and actually got through the starting sequence but had a general recall. Everyone was a little anxious, I guess. By the time everyone got turned around, the wind diminished further we called it a day.

Sunday's wind was more cooperative and we started early. Zack Clayton claimed the first race. Excitement abounded when Carl Pinahs tipped over at the finish line, on the committee boat and Scott Stetter almost 'T' boned the committee boat. Race 2 saw an increase in wind and Bill Best won that one.

Speaking for myself, it sure feels good to be sailing again (this was in May). It's always a pleasure to see all of you and to meet new sailors. Thanks to all those who competed and all the volunteers who donated their time and effort to make this regatta so successful. Hope to see you all next year.

Spring Dinghyfest

May 13-14, 2000

Fleet 5 Rush Creek YC, TX

Results from Herman van Beek

Saturday the forecast promised 15-25 mph winds and temperatures in the low 70s. By starting time the winds were blowing out of the North at 17 mph with gusts to 20 and waves 2-3 feet. Some skippers chose to turn around and bailed-out before the start. The rest took off in some challenging conditions.

The waves and winds took their toll on the first run. Rick Tears did a death-roll and a half dozen

others capsized but most recovered and continued. After lunch, we went out but, before our start the winds had built to around 20 mph with higher

gusts so the Race Officer cancelled races for the afternoon.
