Halloween Regatta

October 14-15, 2000

Fleet 63 Augusta Sailing Club, Georgia

Results from Jeff Annis.

Eric Hood provided the following comments.

This was the 46th Annual Halloween Regatta and 116 boats participated including with the MCs the largest fleet in attendance.

The Augusta Sailing Club sits on 16 acres of beautiful Georgia pine trees on Lake Thurmond just north of Augusta. The property includes a large club house, a large pavilion and several launching ramps and beaches. Campgrounds are spread throughout the grounds.

A high pressure system moved in on Saturday making racing impossible that day.

Sunday provided better conditions and two races in 1-7 mph winds were completed. Both races proved the necessity to stay in whatever dark water that could be found. And, those closest to the shore did much better. In the 2nd Race, Eric and Joe Waters caught the rest of the fleet off guard as they got off the leeward end of the line with speed. The 6-3 minute starting sequence used in this regatta put a premium on being on or just above the line with 2 minutes to go.

Several sailors purchased boats at the regatta. They included Craig Kight from Augusta, Craig Milling from Columbia, and Frank Pontious from Beaufort purchased MC 2047.

EDITOR'S NOTE: We hope someone will identify and send the addresses of the following participants: Yevgeniy Burmatnov, Beattie Purcell, Joe Waters, John MacIntosh, Rue, Gresham, the 23rd place finisher, and the 31st place finisher.
