

Ice Breaker 2000 Regatta

May 13-14, 2000
Fleet 42 Lake Harriet Yacht Club, MN

Results, etc. from Eric Hood

Perhaps the name of this regatta should have been Ice Maker since temperatures in the 90s came along.

Saturday, however, started out at 42 degrees with winds of 20-30 mph. Race 1 saw Eric Hood lead at the first mark of an Olympic course. His lead at the jibe mark increased when he did what was described as a 'spectacular death-roll.' Dave Mott won this race.

Eric conducted a seminar to a full house at lunch time. He included lessons in swimming in cold water.

Sunday the winds ranged from 10-18 mph. Eric led from the beginning to end of the 2nd Race with Jim Brust following.

The 3rd and last race had several lead changes. Jim Brust took a flyer and found a huge lift on

the port side of the course which gave him a big lead. Unfortunately another big lift and puff came along and sent him swimming. Dave Mott took over the lead to never look back. Eric followed and the Regatta was history.

Dave Mott sailed consistently to win the regatta. Jim Brust took Masters honors and Kristin Anderson was the top of two entries Woman.

Upper Tuner Upper Regatta

May 13-14, 2000
Fleet 52 Upper Minnetonka YC, MN

Results from Alan Greene

We had heavy winds on Saturday the 13th, so all races were cancelled. We got the three races in with an early start Sunday morning and gorgeous

weather with winds 10 to 15 mph. Race Regatta Chairman was Skip Jewett.

Spring Regatta AYC Regatta

May 6-7, 2000
Fleet 46 Cedar Lake Yacht Club, WI

Results from Dan Fink

Saturday was overcast, temperatures in the 50s and winds 18-20 with gusts to 27. We stayed on shore and enjoyed watching the C boats show their stuff.

Sunday morning the winds quickly built to 18-29 with gusts to 30 mph. The skippers braved these elements with five finishing the race.

One race was completed in this regatta.

May 13-14, 2000
Fleet 41 Arlington Yacht Club, Texas

Report by Drew Mize

Reports of 25-35 mph winds probably accounted for the lower than usual turnout.

Saturday's races were cancelled. Sunday brought more of the same wind and the RC opened the racing. Most of the sailors stayed ashore while 6 braved the elements to see only 2 boats finish the race.

One race was completed in this regatta.
