# Texas Invitational

June 10-11, 2000  
Fleet 5 Rush Creek Yacht Club, Texas\*

Results from Herman van Beek

26 sailors from three states participated in this year's Texas MC Invitational Regatta. This included four from newly activated Fleet 1 Shreveport YC, Louisiana. Three of these had just taken delivery of their new boats on Friday morning at 7:00 AM. We also had two skippers from Windycrest Sailing Club, Tulsa and four Arlington. Complementing our local fleet members were two students from the Texas A & M Sailing Club in College Station, Texas, whom we had invited to sail with us.

We tried something different in this regatta. Instead of having a single seminar on the day before or after the races on the first day, we broke it up into three sessions. After the skipper's meeting, Scott Slocum and Greg Gust gave the participants key pointers to focus on for the morning races.

Two races were held in the morning in 12-17 mph winds with two more in the afternoon in winds of 15-18 mph; definitely time to add crew. Scott Slocum won two of the races with Adrienne Montgomery and Jack Kern splitting the other two. Scott was leading after the first day.

Sunday morning the skies opened up and we stayed on land and enjoyed and learned from a stimulating discussion of racing tips, boat handling and the racing rules.
