Report by Marianne Fink:

Okauchee Lake Yacht Club wowed 19 sailors with a great regatta. 2 days, 5 races, SSE winds 8-16mph, sunshine, and temperatures in the upper 80's. Who could ask for anything more! We even had a guest appearance by everyone's favorite "Salty". This regatta was anyone's to win. Top sailors from Okauchee, Pine, Cedar WI, Mendota and Power's lakes made for some very competitive racing. Saturday's race winners were Bruce Rosenheimer and Dan Fink both from Pine Lake and Paul Reilly from Cedar, WI. By 3:30pm we were off the water, and enjoying some nice cold beers! Sunday brought more of the same and made race committee Mark Wilfert's job look like a breeze, even though we had a few that went for a swim! Craig Thompson and Dan Fink were the race winners on Sunday. There were position changes in the last leg of every race with Bill Best, Bruce Gallagher, Rick Trester, Erich Stabelfeldt, Stefan Schmidt and Paul Moran giving each other a run for their money. Dan Fink won the regatta for the 6th time. I think he likes Okauchee. Thanks to Scott Stetter, Tom Wilfert and the volunteers who give us Spring Fever!
