

2014 Rebel Rouser
Lake Lanier Sailing Club
April, 26 – 27, 2014

The Rebel Rouser regatta took place this past weekend and at the time of the skipper's meeting (11 am) it looked as though we'd have a great afternoon of sailing in 8 to 10 knots of breeze. Then we had lunch, still looking good; then we launched our boats, still looking good; then they set the course, still looking good; then the gun went off, stopped looking so good...

Ever compete in a race and you were actually traveling backwards, well, not just backwards, but backwards very fast? I did. It wasn't fun.

As is such with lake sailing, we sailed in very shifty conditions, one race by 180. We did manage to get off five races and the racing was very competitive as you can see with the results – not much spread in total points with the top finishers.

We had a long afternoon but ended the day with great appetizers, beer, wine and a delicious dinner made by Jeff Nibler (our new head chef).

Sunday AM we served a hot breakfast of egg casserole, bacon, sausage, donuts, bagels and a myriad of other delicious items.

We tried to get some races of on Sunday but the wind didn't want to cooperate and we wanted to get our travelers on the road.

Many thanks for those that came to support us with Lenny Krawcheck taking all of the loot back to Charleston. Two way tie for second with Jeremy Pape taking the 2nd with the highest number of wins. JP Bordes went home with 3rd.

We're planning a blowout regatta (wind included) for Y2015 so please put the Rebel Rouser on your calendar for April 25th – 26th, 2015.

Thanks,
Amy Walsack Larkin
