

CHAPTER LEADERSHIP BENEFITS

Our ICF Ohio Valley chapter is stronger because of our volunteer leadership who contribute their skills and strengths for the benefit of all members. You can play a part in our continued direction and sustainability by engaging with us either in a yearlong responsibility on the board, or in a short-term project or event that you learn about by joining our 'kitchen cabinet' extended leadership committee.

Participating in one of these teams increases your networking opportunities, professional exposure and allows a more intimate connection to other coaches in your community.
