Q & A for Hakuba 2020

Where is the Hakuba Valley? The village of Hakuba and the surrounding Hakuba Valley are located in the Japanese Alps, about 35 miles west of the city of Nagano and 130 miles from Tokyo. Hakuba was the venue for the downhill and super-G events in the 1998 Winter Olympics.

Why would I want to go all the way to Japan to ski? This trip is perhaps best thought of as a winter vacation to Japan with the option to ski. It is as much a cultural and tourist event as it is a ski trip. Skiing is the icing on the cake.

What is the skiing like? The Japanese Alps and the Hakuba Valley in particular are noted for both the quality and the quantity of their snow. Our lift tickets are good at 10 different resorts in the valley, accessible by free shuttle buses from our base in Hakuba village at the Happo-One ski resort. Hakuba resorts are known primarily for their long groomed runs, but a variety of terrain and snow conditions are available. Large dumps of powder are common with annual snowfall in the range of 400-500 inches.

How will we get there? On the main itinerary we'll fly direct from Washington Dulles to Tokyo Narita and return the same way, tentatively on All Nippon Airways. Upon arrival, we'll transfer to Hakuba via private coach. On the return to Tokyo, we'll first transfer to Nagano by private coach and then catch the bullet train. Travel arrangements for pre- or post-trip extensions or from alternate departure cities will vary somewhat. Participants are responsible for arranging their own transportation to/from Dulles.

Can I make my own travel arrangements? We discourage members from flying on alternate itineraries unless they need to originate from a different city. It is essential to have everyone together at Tokyo Narita in time to meet our arranged ground transportation. If you need to fly from somewhere other than Dulles, please notify the Trip Captain of your requirements prior to making your deposit—our tour operator may be able to help.

What are the passport requirements? You must have a valid passport that expires at least six months beyond your scheduled return date.

Where will we be staying? In Hakuba (six nights), we'll be in the 4-star Mominoki hotel in Hakuba village, located near the base of the Happo-One ski area. Our last night will be in the Grand Prince Hotel Takawana in Tokyo.

Can I bring my own equipment? What about rentals? You can check your skis or snowboard as luggage subject to the usual airline rules for such equipment. Alternatively, discount rentals will be available from Rhythm Japan, located across the street from our hotel.

Why is this trip so expensive? Two main reasons: Japan is a long way from the US east coast, so airfare is costly, plus we'll be staying in quality hotels. The basic trip package also includes numerous other features, itemized on the first page of this trip flyer. You get a lot, so you pay a lot.

How many people can go on this trip? Peninsula Ski Club has reserved 6 rooms, with space for 12 or possibly 13 people. We anticipate several dozen more participants from other clubs in the Council.

So what is the Blue Ridge Ski Council and why are we going with them? The Blue Ridge Ski Council is a federation of approximately 25 ski clubs located in eastern Virginia, D.C., and Maryland. The Council typically offers one eastern trip, one western trip, and one international trip to member clubs each year. The international trip is usually to Europe ("Eurofest"), but for 2020 the member clubs voted to go to Japan and call the trip "Asiafest." Smaller ski clubs such as ours might have difficulty mounting such a trip on our own, so we have elected to join forces with other clubs to provide our members with this very special opportunity.

Who is actually in charge of the trip? The Council's trip coordinator is Kenneth Eng from the Ski Club of Washington DC, who has experience with previous trips to Japan. The Council has engaged the services of Holiday Ski Tours to handle all of the reservations, logistics, and activities. Tom Crockett is the local trip captain for Peninsula Ski Club, and he is dealing directly with Holiday on behalf of our contingent.

What's the deal with pre- and post-trip extensions? Once you've spent the time and money to go overseas, you may want to make the most of your trip by doing some more sightseeing and/or skiing. For this trip, the Council (via the tour operator) is offering three different extensions, contingent on sufficient participation. These are: a 5-night pre-trip extension to the Niseko ski area on Japan's northern island of Hokkaido; a 2-night post-trip extension in Tokyo (for 3 nights total); and a 4-night Tokyo/Kyoto extension with two nights in each city. Contact the trip captain for additional details if you are interested in any of the pre- or post-trip extensions.
