West Virginia

January 29 - February 2, 2017

**BRSC
SANCTIONED**

Join us for a family-friendly mid-week ski adventure at one of the Mid-Atlantic's premier ski resorts. Snowshoe and Silver Creek are known for their balanced mix of beginner, intermediate, and advanced ski runs, along with terrain parks for riders of all ability levels. With a summit elevation of 4,848', Snowshoe has some of the best snow in the region. Our package includes **three days of skiing** and **four nights lodging** along with a group dinner. We'll be staying **slopeside** in two-bedroom condos at the Mountain Lodge, located adjacent to the Ball Hooter lift in the heart of Snowshoe's mountaintop village, with direct access to green, blue, and black slopes. The companion Silver Creek ski area features several nice intermediate runs, **multiple terrain parks**, and **night skiing**. Participants will arrange their own transportation via personal auto or carpool; driving time from the Peninsula is approximately 5 hours. Our condo accommodations allow the flexibility of either cooking in or eating out. Each unit can accommodate from 4-6 occupants, typically with two queen beds plus a sleeper sofa (a great place to park the kids).
