

# Snowshoe

West Virginia  
January 6–11, 2019

**Skiers and Snowboarders:** Join us as we again offer this popular mid-week ski adventure at one of the Mid-Atlantic's premier ski resorts. Snowshoe is known for its balanced mix of beginner, intermediate, and advanced ski runs, along with terrain parks for riders of all abilities. With a summit elevation of 4,848', Snowshoe has some of the best snow in the region. We have expanded our package this year to include **four days of skiing** and **five nights lodging**. The price includes one **group dinner** and a **wine & cheese party**. We'll be staying in two-bedroom condos at **Rimfire Lodge** in the heart of Snowshoe's mountaintop village, just a short walk across the plaza to the slopes. Our lift tickets include **night skiing** at the Silver Creek area. Participants will arrange their own transportation via personal auto or carpool; driving time from the Peninsula is approximately 5 ½ hours. Each condo unit can accommodate 4-6 occupants, typically with two queen beds plus a sleeper sofa (a great place to park the kids).
