

Snowshoe

West Virginia
January 12–17, 2020

Skiers and Snowboarders: Join us as we again offer this popular mid-week ski adventure at one of the Mid-Atlantic's premier ski resorts. Snowshoe is known for its balanced mix of beginner, intermediate, and advanced ski runs, along with terrain parks for riders of all abilities. With a summit elevation of 4,848', Snowshoe has some of the best snow in the region. This year's package includes **four days of skiing/snowboarding, five nights lodging, one group dinner and a wine & cheese party.** We'll be staying **slopeside** in two-bedroom condos at Mountain Lodge, adjacent to the Ball Hooter lift, with easy access to green, blue, and black terrain. Each condo unit will accommodate 3-6 occupants, typically with two queen beds plus a sleeper sofa (a great place to park the kids). Our lift tickets include afternoon and **night skiing** at the Silver Creek area. Participants will arrange their own transportation via personal auto or carpool; driving time from the Peninsula is approximately 5 ½ hours.
