

Far West Ski Association

presents the **J. Stanley Mullin Award** to

George Stewart

Years of Service: **2015–2017**

George Stewart has been an extremely active member of the Sequoia Ski Club since 1988. In 2005 he volunteered his considerable talents at the Sierra Council, Far West Racing, and Far West Ski Association level and continues to do so.

George served as FWSA Webmaster from 2005 to 2011 and worked with the entire FWSA board to redesign the site to increase effectiveness and navigation. He also created a private area that served as a data back-up site for many FWSA records. He also served as FWRA Webmaster since 2016 and worked very diligently to redesign their website and continues to update the site and post race results.

He has worked with the Far West Ski Foundation and created a You Tube video to promote the programs that are supported by FWSF to increase visibility and to generate increased donations.

Since 2012, George has assumed the Marketing Media Coordinator role and has worked with both still photos and video clips to produce numerous amazing YouTube videos promoting the FWSA North American & International travel programs and the FWSA Convention. He has also created participant photo and video CD's for some of our International adventure and dive trips. This year George produced great videos on both the London/Ireland adventure trip and Breckenridge Ski Week which are on YouTube and linked back to our website at fwsa.org.

George is a very quiet guy, yet, he has produced an amazing quantity and quality of work promoting FWSA and its programs. In his spare time, he has acted as a co-trip leader supporting Debbie on all International trips since 2012.

We are honored to nominate George Stewart. His hard work, dedicated commitment, and contributions to snow sports and Far West Ski Association makes him a very worthy recipient of the J. Stanley Mullin Award.

The J. Stanley Mullin Award is given to the Far West man who has, through efforts in ski club, council, region, national or international activities, made a decisive contribution to skiing during either the past two years or in a prior year.

Respectfully nominated by *Randy Lew & Debbi Kor*.
