The Far West Athletic Scholarship Program, now in its 16th year as a means of making a positive contribution to junior racing, has continued to garner more support each year. Since 2004, FWSA has awarded 160 scholarships for a total of well over \$125,000.

United States Ski Association licensed junior racers in the U21, U19, and second year U16 classes in states represented by FWSA affiliated councils are eligible for a scholarship.
