

## Residential Pool Permission for Approved Providers

NYS Regulations

416.5 (g) (4)

417.5 (g) (4) The Program must obtain prior written permission from the parent for his or her child to use the pool.

Permission notes must include the following:

- (i) Name and age of the child;
- (ii) Address where the pool is located;
- (iii) The depth of the pool at its deepest point;
- (iv) Dates or months the child is permitted to swim in the pool; and
- (v) Signature of parents and date signed.

416.8 (n)

417.8 (n) With the prior written permission of the parents, programs meeting the requirements of sections 417.5 (g) of the Part may allow children in day care to participate in residential pool activities providing the following supervision criteria are met:

- (1) The program must develop a plan of supervision which ensures that there is a person supervising the children in the pool at all times children are using the pool.
- (2) The person supervising the use of the pool must be able to swim.
- (3) Where some children in care are using the pool and others are not using the pool, the plan of supervision must ensure that there will be adequate and appropriate supervision of the children using the pool and those not using the pool. While the pool is in use, the (group) family day care home must continue to meet the supervision requirements of this section for all children in care, including children involved in pool activities.
- (4) Any person supervising children in pools must possess a current Cardiopulmonary Resuscitation Certification (CPR) or equivalent certification, as approved by the Office and appropriate ages of children in care.
