

## Need Help with the Cost of Care?

Parents in **Yates** County may take advantage of a financial assistance program to help with the cost of child care. The program operates on a sliding fee scale with parents sharing the cost.

To qualify for assistance, families must be:

- Working or seeking employment
- In an approved remedial, educational or job training program.
- Dealing with emergency situations, considered on a case by case basis
- Physically or mentally ill or incapacitated
- Working with an open child protective services case where child care is needed to protect the child

Meet the Following Income Guidelines:

Family Size	Annual Gross Family Income Not to Exceed
1	\$24,120
2	\$32,480
3	\$40,840
4	\$49,200
5	\$57,500
6	\$65,920
7	\$74,280
8	\$82,640

+ each additional member ---- Add \$4,180

To apply for this program each family must fill out a child care application. Parents will be assigned a weekly fee based on the New York State sliding fee scale. Care may be used in a registered home, informal or a licensed center. Our Referral Counselor can give information about child care options and how to choose child care.
