Due to the COVID-19 lockdown we were not able to have physical membership meetings in April, May or June. We hope to have our trip sign-up meeting in July at this point. Stay tuned to the web-site, Twitter and to our weekly email for the latest information. Not on our list? See the last page of this newsletter for info on how to join it.

A Message from our New President

Hello Ski Club members and snowsport enthusiasts! As we start to have our world open back up and test out the “new normal” I wanted to bring you up to speed with some of the activity your board has been doing in preparation for the upcoming year.

Thank you to all who participated in the election last month. We were able to officially elect the new board so we can move into the new year for the club. We will be following social protocol as we look to re-start our monthly meetings, and set up opportunities and activities for you to meet up with your ski club friends. Keep an eye out for the announcements in the upcoming weeks. You can see our new board listed at the end of this newsletter, please feel free to reach out and thank them for their volunteering.

As some of you know, we are taking sign-ups for our European trip to Grindelwald next year, and plan to have the rest of the schedule ready to announce by the end of this month or early next month. We have an exciting lineup of trips and hope to get you excited for 2021!

We are tentatively planning to try and do our traditional slideshow presentation in July, but that may be delayed depending on the required large group social protocol. If we cannot hold a traditional meeting we will have the trips set up on the web site and ability to sign up on line.

Also with July, it will be time to renew your membership to the club, which is required for sign up on all long distance trips. You will get a renewal e-mail reminding you of the renewal procedures through the web site. We were able to grow the club membership last year and look forward to increasing our membership again!

Finally, if you have an idea about a social activity, and/or want to help the club in any way, please reach out to me and I'll work with you to get things started.

Have a happy and safe month, and I look forward to seeing you out and about soon!
