

INTRODUCING THE MEMPHIS HIGHTAILERS BUSINESS MEMBERSHIP!

Your business should become a Memphis Hightailer

Join the Memphis Hightailers Bicycle Club today and help make bicycling better in the Greater Memphis Area. \$400 out of the \$500 membership fee will go towards the Hightailers Foundation, a 501(c)(3) nonprofit organization... The foundation is primarily focused on bicycle advocacy and education in the mid-south. We represent over 1800 area cyclists who see bicycling as a sustainable solution for the traffic, health and environmental challenges we face in our community. We can't do it alone. MHBC depends on area businesses like yours to continue our work making bicycling a healthy and more sustainable means of transportation and recreation. Go online and become a member today or complete the form below and mail it in.
