

## 2018 CDCTA Virginia Bred Recognition Program

The Virginia Horse Industry Board established the Virginia Bred Program to promote excellence in breeding and training of horses foaled in Virginia. CDCTA is happy to announce that we have once again been selected as a recipient of the VHIB's VA Bred grant. With this grant, cash prizes will be given to best scoring winners in our 2018 recognized Dressage and Eventing shows as well as Year End awards!

### Are you eligible?

Both CDCTA Members and Non-Members may apply for this special award at individual CDCTA recognized shows. Only horses that have been foaled in Virginia are eligible to qualify for VA Bred awards. Owners should submit proof of eligibility along with a completed **Special Awards Entry (SAEntryForm.pdf)** form, with each show registration form. **Proof of eligibility for VA Bred awards may be confirmed by a copy of breed registry papers indicating place of foaling or a confirming statement or birth record from a licensed veterinarian with knowledge of the place of birth.** Awards are given to horse owners.

Only CDCTA Members may qualify for Year End or Series End VA Bred Recognition Program awards. Cash awards will be determined by the amount remaining in the grant at the end of the year. Horse owners must be members at the time of competition for scores to be included, however, volunteer hours required to be considered for Year End awards can be fulfilled by owner or rider. To be considered for this special Year End award, please submit proof of eligibility as indicated above, postmarked by December 5, 2018 to:
