

PRESIDENT'S MESSAGE

Larry Crosbie

Well, summer is finally here. Thunderstorms, hot weather and Corvette cruising are all in season. I had an enjoyable last weekend in Indianapolis attending the Bloomington Gold show which showcased nearly 50 of the 216 total L-88 high performance Corvettes built just three years, from 1967 through 1969. On Saturday afternoon they left the showroom for a couple touring laps on the brickyard. What a sight - twelve of the twenty 1967 L-88's together in one place!

Congratulations go out to Dennis Lombardo who had his 40th Anniversary Ruby Red Convertible judged at the show only to win the top prize a Gold certification which means the car is essentially the same as it rolled off the Bowling Green assembly line 25 years ago.

I was able to observe the judging process for three 1969 corvettes like mine. I picked up a few tips, as well as a couple of small parts at the swap meet, which should allow me to finish my car restoration in the next few weekends.

Be sure to sign up for the next CLBG events including the Fourth of July House Party at Don and Ellen Schwartz's home. Thunderfest this year at the Museum is on Tuesday, July 3, this year, so it will not interrupt our plans to have our meeting at the regular time on Saturday, July 7, in the NCM Theater at 6 p.m. We plan to revisit and demonstrate the website for those experiencing any difficulty in using our new tool.

Happy Independence Day!

DENNIS POCKETS GOLD

Congratulations go out to Dennis Lombardo who had his 40th Anniversary Ruby Red Convertible judged at the show only to win the top prize a Gold certification which means the car is essentially the same as it rolled off the Bowling Green assembly line 25 years ago.

Dennis Lombardo and his 40th Anniversary Ruby Red Convertible came away from the Bloomington Gold – with Gold!.. His 2003 won the top prize, a Gold Certification, which means the car is essentially the same as it rolled off the Bowling Green assembly line 25 years ago. Sweet!

Dennis pulls his car onto the bricks at Indianapolis Brickyard just after receiving the Gold Certification.

CLBG MEMBERSHIP 5 YEAR ANNIVERSARIES

This is where we celebrate our members who have been with us for 5, 10, 15 or 20 years. This July, we have one couple who joined us 15 years ago – Ed & Sandy Hollingsworth. So glad you've been with us these years!

Congratulations!

Ed & Sandy Hollingsworth

TOMPKINSVILLE ROAD TRIP

Greg and Cindy Terry, Bob and Cindy Whittaker, Bob Harder, Jack and Donna Matukas, and Gary and Torie Cockriel all cruised to Tompkinsville. They enjoyed great hamburgers and fried bologna w/egg at Dovie's. They also visited the Old Mulkey Meetinghouse historic site nearby

COLORADO GRILL CRUISE – WHITEHOUSE TN

July 30, 2018

Several members showed up ready to cruise and eat. A leisurely drive brought everyone down to Whitehouse, TN, to try out the Colorado Grill. Did they enjoy dinner? Let the pictures do the talking!

CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

Fred Kayser

Summer is here. That means that it is time to get in your Corvette and go for a cruise, whether it is a day-trip on the back roads, an overnighter somewhere, or a short trip to the NCM and Motorsports Park. While you are enjoying your cruise, be sure to invite other club members to join you and increase the fun.

The featured display at the NCM is titled "Louis to LeMans: The History of Chevrolet Racing".

The MSP has a variety of events scheduled during the month of July. Check out the details at www.motorsportspark.org

A raffle is scheduled for July 12 (Torch Red Stingray coupe) and September 1 (Torch Red Stingray convertible).

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.

RECIPE OF THE MONTH!

Piña Colada Poke Cake

We had so much deliciousness at the Marsh's May BBQ, that I may have to change the Skidmarks into a Cook Book, with a few Corvette features! Debbie Hoodenpyle brought us this summery, Hawaiian-y, cool and delectable cake.

Ingredients:

- 1 box Butter Recipe Cake Mix
- Ingredients needed to make cake (softened butter, eggs, water)
- 1 (15 oz.) can Cream of Coconut (not coconut milk)
- 1 (14 oz.) can Sweetened Condensed Milk
- 1 (15.25 oz.) can Crushed Pineapple in juice
- 1 (8 oz.) tub Frozen Whipped Topping (COOL WHIP), thawed
- Sweetened Coconut Flakes, for topping

Directions:

- Prepare and bake cake in a 9x13 pan according to package directions
- Drain crushed pineapple into a bowl. You'll need that juice for the cake.
- While your cake is baking, mix together the reserved pineapple juice, sweetened condensed milk and cream of coconut until smooth. This mix will be very thin.
- Immediately after removing your cake from the oven, use the end of a wooden spoon or a 2-pronged fork to poke holes all over the top of the cake. Pour the milk mixture over the top of the warm cake, making sure to get it down into the holes. The cake will appear very saturated, but that's okay and it will completely soak in after 20-30 minutes.
- Evenly spread the reserved crushed pineapple all over the top. Cover the cake with plastic wrap and refrigerate overnight.
- Spread the Cool Whip over the pineapple-covered cake. Sprinkle the coconut on the top.
- Keep cake covered in refrigerator for up to 3 days.

Debbie's Notes:

- Debbie suggests using FROZEN coconut. Use 2 (6 oz.) packages. It is more moist and tender, and works well, since this is a refrigerated cake. I found Birds Eye coconut at Kroger's, by the frozen berries.
- For extra color and the Pina Colada touch, place a maraschino cherry or a small pineapple wedge on top of each slice as you serve it.
