

PRESIDENT'S MESSAGE

Larry Crosbie

As I watch snow flurries outside my office window, I can't help but think that spring is right around the corner (no, I am not a groundhog). Thanks to Ron Best, his committee volunteers and survey respondents for all the contributions toward the outline of Club Activities developed on Saturday, January 12. You will shortly see the tentative activities list on our website. We intend that you will have more activity choices to participate this year in weekly, monthly and one of a kind Club activities and outings.

We have an important opportunity to discuss in our February 2 monthly Club meeting. The Museum recently announced a unique way for clubs to donate. For \$3000 CLBG can purchase and decorate a table in the NCM Café to promote Corvettes Limited of Bowling Green. That table will stay in the Café for three years, then, it becomes the property of our Club. The Museum has agreed to consider our donation this month of \$1500 to be a 50% down payment on a table. If you all agree, our 2020 donation to the Museum can be used to pay off the table once 2020 dues are all collected at the end of 2019. We get full credit for a \$3000 total donation, plus we gain a table right now to help market our Club to local NCM guests and members. If the Board agrees to pursue this idea we will bring the idea before the membership next month for discussion and a motion to commit remaining funds to the Museum.

Remember, C7 owners, keep less than ¼ tank of fuel in your stored vehicle this winter. Also, for all Corvette owners, remember to hook up that trickle charger to your battery if you don't plan to start your Corvette for the next few weeks.

That is, if you plan to store it!

Now that winter is here, a great place to stay warm is at the NCM.

The NCM has opened a new exhibit titled "From Gas Station To Space Station: How NASA Conquered Low Earth Orbit". While you are at the NCM, take a look at E1 Vette and enjoy some great food at the cafe.

Registration is open for the April Bash and 25th Anniversary

A raffle is scheduled for February 7 (Arctic White Stingray coupe).

A King Of The Heap event is scheduled during February at the MSP.

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.
