## PRESIDENT'S MESSAGE

**Larry Crosbie**

OK, the sun is out and the rain is (mostly) over. It is time to shift our cruising activity up a notch. Come to our next monthly meeting and hear firsthand from Dennis Smith regarding what it took to restore the Skydome after the sinkhole of 2014. Also, we will have more information about March Club activities. You don't want to miss it.

Secondly, I want to remind all of you that the Museum has a half price family membership sale going on. For a limited time you and your entire immediate family may join and share membership benefits for only \$50 per year (\$25 if you are already an individual member). Let Fred Kayser, Museum Ambassador, know if you wish to take advantage of this special offer. I encourage every member to seriously consider Museum membership.

Thanks to Tony Feckter, we now have a digital camera available to loan to anyone who leads a club cruise or event in order to get the pictures we need for our website, newsletter and perhaps our Café Table for which we must provide pictures soon. Also, thanks to Joe Tucker for planning and leading the Cruise dinner and museum tour in Evansville this past month.

# DREAM CAR MUSEUM

February 17, 2019

What could be better than visiting a museum filled with pristine exhibits of automobilia from the past 70 years? How about finding everything in the museum *for sale*! The sad part of the story is that the museum is closing, but the fun part is that they are selling virtually everything in it. That includes the cars, signs, gas pumps, displays. Several members either cruised up to Evansville or met there for lunch and a fun time at the museum.

Be sure to check out all the photos from this trip in the **Photo Gallery** on our website, [CLBG.us](http://CLBG.us).

# CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

**Fred Kayser**

The weather fluctuation should be sufficient reason to have you thinking about enjoying some Corvette cruising. Take a cruise to the NCM and see what is going on.

The featured exhibit, titled "From Gas Station To Space Station: How NASA Conquered Low Earth Orbit" is on display through June 30. Have some great food at the cafe while you are there.

If you haven't registered yet for the April Bash, remember that on-site registration closes on April 2. Start planning to volunteer at the April Bash, to be held from Thursday, April 25, through Saturday, April 27. Contact John or Carol Fort ([johnfortjr@gmail.com](mailto:johnfortjr@gmail.com) or [carolfort@gmail.com](mailto:carolfort@gmail.com)) as soon as possible to let them know when you will be able to volunteer.

Raffles are currently scheduled for April 26 (Long Beach Red Stingray convertible) and April 27 (Torch Red Stingray convertible).

An event titled "Driver Safety Awareness Day" is scheduled for April 13. Take a look at the NCM website for more details. Multiple activities are scheduled during the month of March. You can find details at the MSP website.

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.

## OH BOY! OH BOY! A NEW CORVETTE TOY!!

Just when you thought you had every Vette toy and model available, here is a Lego, *transformer* Corvette ZR1! Yes, it is a ZR1. It is a Hot Rod. It is FUN!

This kit is by Lego Technic. Check the Museum store, and if they don't have it, it is available online. You know you want it.
