

PRESIDENT'S MESSAGE

Larry Crosbie

As I write this note, the outside temperature is 70 degrees! My idea for the day is hiring someone to mow my lawn will allow me more time in my Corvette. What do you all think? You have got to love Springtime. So, come to our next meeting on Saturday, April 6, and learn about our spring activities, including a picnic and meeting at Freeman Park scheduled for Saturday May 6 (Derby Day).

Our guest speaker for the next meeting will be our Museum Events Manager, Bryce Burklow. He will discuss and answer questions about both our April and 25TH Anniversary bashes, including the need for "all hands on deck" regarding volunteer opportunities. Also, Wendell Strode has been asked to be a guest speaker for one of our upcoming meetings and plans to visit with us later this year as his schedule permits.

I also want to offer a special thank you to our own member, Dennis Smith, for sharing a most interesting presentation with us last month on the fifth anniversary of "The Sinkhole".

Finally, if you have not done so, please reach out to John Fort, who manages museum volunteers for the bashes. Let him know if you can help out. We can still use a few more volunteers for the April 25-27 bash. His email is volunteeratncm@gmail.com

CORVETTE EXPO MUSEUM

MARCH 2019

The Corvette Expo is the first official event in our area, and is eagerly looked forward to by our members. Several from the club made the trip to Pigeon Forge, TN, to enjoy the show. Looks like they enjoyed a meal together, also.

CLBG WELCOMES NEW MEMBERS

We welcome four new members to the club this past month:

- Barry & Janet Brown
- Kenny & Carolyn Marks

We look forward to getting to know you and sharing our Corvette stories!

CLBG MEMBERSHIP ANNIVERSARIES

This is where we celebrate our members who have been with us for 5, 10, 15 or 20 years. This month, we congratulate Shirley Biggs for her 20 years with the club.

Congratulations!

Shirley Biggs

UPCOMING EVENTS HIGHLIGHT

We wanted to shine the spotlight on a couple of the upcoming events which you may or may not be aware of. There are so many car-related activities springing up all around us, it is hard to hear about all of them. Here are just a few.

Antique Auto Parts Cruise In Open House – Saturday, May 4 starting 9:00 a.m. – 724 S Main St, Hartford, KY

This gem of a local shop is a combination of a classic car restoration shop and an antique auto parts dealer. They have been in business since 1990. Located in the old Chevrolet dealership, they welcome visitors and customers alike to see their restored cars and their impressive inventory of used and nos parts. Once a year they host a cruise-in at their open house. It is to show off their work and shop as well as to let the cruisers show their vehicles.

Somernites Cruise – Every 4th weekend of the month from April thru October – Somerset, KY

If you have never been to a Somernites Cruise, you owe it to yourself to go! This is truly a Kentucky treasure – Highly organized, highly attended and highly fun! (?) Each month they have a Showcase make/model vehicle, but cars of all makes show up for the fun. The feature showcase is Saturday, starting at 1:00, but there are many more activities from Thursday thru Saturday, making this much more than a “car show”. Also on the agenda are a block party, a fun run to different locations in KY, and the granddaddy Saturday night cruise, as all of the cars exit the showcase. Highway 27 thru town turns into a very long cruise, with spectators staking out their favorite spots to view the cars

There is so much more that I have not mentioned, you need to check out the details on their website: <http://www.somernitescruise.com/cruiseevents.html>

A suggestion if you plan to attend one of the cruises – get your hotel reservations early! This is a popular event, every month.

CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

Fred Kayser

Since Spring has finally arrived, let's go cruising. What better place for a shakedown cruise than the NCM? Check out the exhibits, new items in the store, and tasty items in the cafe.

The Bash will be here soon. It is scheduled for April 25 through April 27. Advance registration is open until April 2. Please contact John Fort (volunteeratncm@gmail.com or johnfortjr@gmail.com) right away if you haven't already done so and volunteer during this big event. Volunteers are needed for many areas of the NCM. Let John know the days, time of days, and activity that you prefer.

Raffles are scheduled for April 26 (Long Beach Red Stingray convertible) and April 27 (Torch Red Stingray convertible). Get your ticket(s) before it is too late.

The MSP has a lot of events scheduled this month. Check out their calendar at motorsportspark.org.

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.

RECIPE OF THE MONTH!

ORANGE JUICE BUNDT CAKE

So easy and so Springtime! That is why I am sharing this recipe this month. It is an internet find, another gem from Kristen Doyle's Dine & Dash web site:

<https://dineanddish.net/>

Ingredients:

- 3 cups all purpose flour
- 2 cups granulated sugar
- 3 teaspoons baking powder
- 1 teaspoon salt
- 4 large eggs
- 1/2 cup vegetable oil
- 1/2 cup applesauce (1 cup vegetable oil total can be used instead of applesauce)
- 1/2 cup orange juice
- 1 Tablespoon vanilla
- Zest of 1 orange

Directions:

- Preheat the oven to 350°F. Prepare a 10 inch fluted cake pan by spraying with baking spray (or using the homemade version mentioned above).
- In a large bowl, combine all the dry ingredients. In a separate bowl, combine eggs, oil, applesauce, orange juice, vanilla and zest. Stir the wet ingredients into the dry ingredients and mix on medium low, just until combined.
- Pour the batter into the prepared pan. Bake at 350°F for 60 minutes or until a toothpick inserted into the center comes out clean.
- Allow cake to cool in the pan for 10 minutes before gently removing from pan onto a wire rack to cool. Once cooled, carefully place cake on a cake stand and top with sifted powdered sugar.
