
PRESIDENT'S MESSAGE

Larry Crosbie

The 2020 Mid-Engine Corvette is finally here! As I was leaving Bowling Green last Thursday to visit my grandson in Indianapolis, a Sebring Orange 2020 Corvette turned in front of me leaving the assembly plant. I am curious to know how you all feel about the new Corvette. The more I heard and saw during the reveal, the more impressed I was. The price, the performance, even the luggage space surprised me. We will have a couple 2020's to look at during the 25th Anniversary bash.

By now I hope you know that our August monthly meeting has been rescheduled to Saturday August 10, at NCM. The Museum was able to rent out the space for August 3. As you know, we don't want to preclude the Museum from rental revenue if we can help it. That will give us another week to find a caterer for our Club Christmas dinner. So far we have been turned down by three caterers for various reasons, so keep looking! Bring any proposals to a board member for us to discuss at our next board meeting. The dinner date is December 7, 6 p.m. at Oakland Baptist Church and we expect about 80 members and guests to attend.

Finally, please consider volunteering and or adding more hours to your current volunteer schedule as our needs have increased due to the sheer numbers expected for the 25th Anniversary. In addition to our normal bash hours, volunteers are needed for Wednesday and Thursday evening as well. Also, if you have been approved to drive for the museum in the past, we need you for shuttles. We also need golf cart drivers for handicapped visitors. Let John Fort know of your capabilities by emailing him at volunteeratncm@gmail.com

CLBG WELCOMES NEW MEMBERS

CLBG welcomes three new couples to our club:

CRUSIN' FOR A CURE

JULY 13, 2019

A special shout-out to Bruce Hazelton for his work on Crusin' For A Cure car show, held July 13 in Bowling Green. Bruce reported that they raised \$2,780 for three charities. Great job, Bruce and volunteers!

CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

Fred Kayser

I hope that you are enjoying the summer with some cruising activities. If it is a bit too warm outside for you, then head over to the NCM. The NCM is always a "cool" place to be.

It's time to finalize volunteer plans for the 25th Anniversary event. You may schedule volunteer activities and times with John Fort - volunteeratncm@gmail.com .

Check out the events listed at www.motorsportspark.org for the month of August. There is a variety of events scheduled.

Raffles are scheduled for August 29 (Shadow Gray Grand Sport coupe), August 30 (Build Your Own Next Generation or \$55,000), August 31 (Next Generation Corvette VIN 25), and September 19 (Elkhart Lake Blue convertible).

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.

RECIPE OF THE MONTH!

PECAN SANDIES

This month I have dipped back into the wonderful website, **Sugar Spun Run** and am sharing a recipe by Sam. Find her and all of her wonderful recipes at <https://sugarspunrun.com/> These Sandies are slightly different from any other recipe I have seen. Notice the lack of white sugar and the addition of corn starch. It works! It really works!

Ingredients:

- 1 cup unsalted butter, softened to room temperature
- 1/3 cup powdered sugar
- 3 Tablespoons light brown sugar firmly packed
- 1 Tablespoon cornstarch
- 1 1/2 teaspoons vanilla extract
- 1/2 teaspoon salt
- 2 cups flour
- 1 cup finely chopped pecans
- Additional powdered sugar for dusting

Directions:

- Preheat oven to 375 degrees. Line baking sheets with parchment paper.
- Beat butter in large bowl until creamy.
- Add powdered sugar, brown sugar, cornstarch, vanilla and salt, and beat until creamy.
- Gradually add flour and stir until combined. Will be very stiff, and sort of dry!
- Stir in pecans.
- Scoop dough by 1 1/2 Tablespoons and roll into a ball. Flatten slightly and place on baking sheet, space about 1" apart.
- Bake for 12 minutes or until edges are just beginning to brown.
- Cool completely on baking sheet.
- Toss in powdered sugar, or sift sugar over the tops. (optional)

Susan's Note's:

- These are so tender and buttery, and, unlike most cookies, not too sweet at all. I have only made them without the extra powdered sugar coating, which would add some sweetness if you desire.
- And, yes, the measurements for the brown and powdered sugar are correct!
